

## **STATE WATER RESOURCES CONTROL BOARD**

### **BOARD MEMBERS**

**Tam M. Doduc, Chair**  
**Category: Civil Engineer**  
**Term Expires: January 15, 2009**

Tam Doduc serves for Governor Schwarzenegger as the Chair and fills the position of civil engineer on the State Water Resources Control Board. Ms. Doduc most recently served as Deputy Secretary at the California Environmental Protection Agency (Cal/EPA), where she directed the agency's environmental justice and external scientific peer review activities. She also coordinated various environmental quality initiatives, and provided general oversight of children's environmental health programs.

Ms. Doduc began her career in 1989 as an environmental consultant. She then joined the staff of the State Water Resources Control Board and, later, the California Air Resources Board. From 1998 to 2002, Ms. Doduc provided technical and business assistance to environmental technology developers and manufacturers, serving in the Office of Environmental Technology and, later, as Cal/EPA's Assistant Secretary for Technology Certification. From 2002 to 2004, Ms. Doduc served as Cal/EPA's Assistant Secretary for Agriculture, Air and Chemical Programs.

A licensed civil engineer, Ms. Doduc earned a Bachelor of Science in BioEngineering from the University of California at Berkeley, and a Master of Science in Civil Engineering from the California State University in Sacramento. She also earned a Master of Business Administration from the University of California at Berkeley.

## STATE WATER RESOURCES CONTROL BOARD

**Gary Wolff, P.E., Ph.D., Vice-Chair**  
**Category: Professional Engineer**  
**Term Expires: January 15, 2012**

Gary Wolff, P.E., Ph.D., of Castro Valley serves on the State Water Resources Control Board in the position of Professional Engineer. Prior to his appointment to the State Water Board, he served as one of two Water Quality appointments to the nine-member San Francisco Bay Water Board. From 2001 to 2006, he served as principal economist and engineer for the Pacific Institute for Studies in Environment, Development and Security.

Dr. Wolff is an expert in the economics and engineering of resource use, including water quality; water, energy, and materials end-use efficiency; and incentive policies. His professional career has included solar energy construction contracting, water quality regulation for the State of California, design engineer at a wastewater treatment plant, founder and president of an engineering consulting firm, a post-doctoral fellowship at the Center for Conservation Biology at Stanford University, and a visiting professorship at the Graduate School of International Policy Studies at the Monterey Institute of International Studies.

His community service includes chair of the Castro Valley Sanitary District Community Advisory Committee, past president of the Alameda County Recycling Board, past chair of the East Bay Municipal Utility District Demand Management Advisory Committee, and past chair of the Board of WaterKeepers of Northern California (now Baykeeper).

Dr. Wolff received his Doctoral degree in Resource Economics from the University of California at Berkeley, his Masters Degree in Civil and Environmental Engineering from Stanford University and his Bachelors Degree in Renewable Energy Engineering Technology from Jordan College.

## STATE WATER RESOURCES CONTROL BOARD

**Arthur G. Baggett, Jr., Member**  
**Category: Attorney**  
**Term Expires: January 15, 2011**

Arthur G Baggett, Jr., serves as the attorney member with water rights experience on the five-member State Water Resources Control Board, which is responsible for protecting, preserving, and restoring the beneficial uses of the waters of California providing for their equitable use.

Mr. Baggett is a long time resident of EL Portal. He was co-founder of the Merced Canyon Committee which successfully advocated for protection of the upper Merced River and its tributaries under the federal Wild and Scenic River Act. He served two terms as a member of the Mariposa County Board of Supervisors and Mariposa County Water Agency. Mr. Baggett was sole proprietor of Baggett Solar Design and Construction Company, and practiced water, environmental, business, and family law in Mariposa.

Mr. Baggett is past president of the Association of State and Interstate Water Pollution Control Administrators, a member of Dividing the Waters (a project of western state judges that focus on adjudication of water rights), and has served on numerous Environmental Protection Agency advisory committees. As a scientist and teacher, he has guided for the Yosemite Mountaineering School, been on the faculty of Yosemite Institute and the University of California's Sierra Institute, and served as adjunct faculty of San Joaquin College of Law, and Fresno State University's Department of Chemistry.

In his spare time, Art enjoys part time status as a musician in his son's bluegrass and country band, Pine Crow, and skis and hikes the backcountry of the Sierra Nevada Mountains with family and friends.

## STATE WATER RESOURCES CONTROL BOARD

**Charles R. Hoppin, Member**  
**Category: Water Quality**  
**Term Expires: January 15, 2010**

Charlie Hoppin of Yuba City serves on the State Water Resources Control Board in the position of water quality expert. He is a partner in a family operated diversified farming operation in Yolo and Sutter counties. The crop base includes fresh market melons, rice, walnuts, and a variety of small grains and oil seed.

Mr. Hoppin serves on the California State University Advisory Committee, and on the Board of Directors of Farmers Rice Cooperative where he is currently audit and finance Chairman and Vice Chairman of its Board.

Prior to his appointment to the State Water Resources Control Board, Mr. Hoppin served as advisor to then Governor Pete Wilson during the 1997 California Flood Recovery Effort, a Board Member of Sutter Mutual Water Company and a Member of the State Board of Food and Agriculture. He is the immediate past Chairman of the California Rice Industry Association. During his tenure at the Rice Industry Association, Hoppin played a key role in the implementation of many of the industry's well-recognized environmental stewardship efforts.

**Frances Spivy-Weber, Member**  
**Category: Public**  
**Term Expires: January 15, 2009**

Frances Spivy-Weber of Redondo Beach has been appointed to the State Water Resources Control Board. She has served as the executive director of the Mono Lake Committee since 1997.

From 1983 to 1992, Ms. Weber served as the director of international programs for the National Audubon Society. She previously was a legislative assistant for the Animal Welfare Institute from 1978 to 1982.

Ms. Weber was a member of the Bay-Delta Public Advisory Committee and co-chair of its Water Use Efficiency Committee. She also served as co-chair of the Southern California Water Dialogue and convener of the California Urban Water Conservation Council. She has served on many boards, including the Water Education Foundation, California Council of Land Trusts, and Clean Water Action/Clean Water Fund.
